Disc 2

1. DVD Bonus

The original soundtrack of the film by Jaime Chávarri that is based on the life of Camarón de la Isla. This soundtrack is made up of songs by the brilliant cantaor (flamenco singer), featuring the original recordings with guitar accompaniment by Paco de Lucía and Tomatito.

It includes a bonus DVD (in the same CD, not as a separate disc) containing promotional material, the film's trailer and poster, the video of "Soy gitano" and of "La nana del caballo grande", made using pictures from the film and Camarón de la Isla's discography.
