4. La llaga
5. Bulerias de Menorca
6. Rock del cayetano
7. Bulerias al aire
8. Mama
9. Tarantula

1981 witnesses the release of the first Pata Negra album, and eponymous album that set the record for future works, combining electrifying and flamenco guitars with an innate self-confidence. Tracks like 'Blues de los niños' (Kids Blues), 'Rock del Cayetano' or 'Los managers', clearly show that the Amador brothers (Raimundo and Rafael) have found a holy grail of unsuspected richness and enormous potential.
