2. Lluvia de Cometas
3. La pajarraca
4. Como dos niños
5. Lejana
6. Cadencia
7. Aroma de libertad
8. Del Horizonte vienen

After working with Paco de Lucía for ten years, Cañizares makes his mind up to begin his solo career with this first album, which was considered a great event in the world of flamenco. In this work, he appears as an original and restless musician, and an impeccable instrumentalist. On some tracks, you can hear Carles Benavent's bass.

Palos:

Bulerias - Rumba - Zapateado - Balada - Colombiana - Solea - Tangos - Tanguillos

Artists

Chaboli - Carles Benavent - Juan Manuel Cañizares
