The Hispalis singers, is a band who has always revolutionned the sevillan's world. Now, they surprise us again with their new disc which brought to the studio more than 50 artists singing more than 50 sevillanas.

With the recording of "Queridos Compañeros", the Hispalis singers want to pay tribute to all their colleagues of the profession who dedicated their life to the sevillan music recovering the main successes of this kind of music in order to record them again with each one of their singers. Queridos Compañeros is an historic audio document of sevillanas in which meet up the best artists.

The best singers of the history sing more than 50 tracks. More than 30 artists took part in it: Romero de San Juan, Requiebros, Maria del Monte, Romeros de la Puebla, Marismeños, Pepe de Lucia, Ecos del Rocío, Chiquetete etc.

All the concept of of this new work will be wrapped up in a fantastic historic DVD that recovers the first records at the TV of a lots of artists presents in this project.
